Dear Families, Loved Ones, and Team Members,

This letter is to inform you that, tomorrow, the Director Team at Bellaire at Stone Port will convene to discuss our COVID-19 reopening protocol. Currently, we have zero active cases within our community. However, according to the Virginia Department of Health's website, Harrisonburg's most recent positivity rate is considered "high" at 16.8%. Since we currently have zero active cases and because of the large number of active cases in the Harrisonburg community, we want to give thoughtful consideration to our reopening plan to ensure the safety of our Residents, Team Members and Families.

I want to thank you for your continued patience and support as we navigate this Pandemic in the safest and most thoughtful way possible.

With regards,

Cristen Hackenbracht
Executive Director
