

July 15, 2021

Greetings,

I hope you are having an enjoyable summer! I want to take this opportunity to connect with you regarding all that has been happening at Bellaire at Stone Port.

In an effort to keep our team members and residents safe, we ask that our residents and team members continue to adhere to the following guidelines as set forth by the Virginia Department of Health:

- Team members and visitors must continue to screen upon entering our community.
- Please call our Concierge at 540-246-0888 to schedule a time to visit your loved one. While we no longer require a 24-hour notice, we appreciate you calling in advance to let us know you are planning to visit.
- Please continue to wear a mask when in common areas of our community. Masks can be removed once you are in your loved one's apartment if both you and your loved one are vaccinated. If not, we ask that you wear your mask for the duration of your visit.
- Vaccinated guests are now welcomed to join activities. If you plan to participate, you are required to wear your mask and practice social distancing.
- Visitors are asked to refrain from eating with loved ones in our Dining Room.

Our residents have been having a ball so far this summer. We traveled to Bridgewater for a picnic at Wildwood Park where the residents (and ducks) enjoyed delicious club sandwiches made by Chris, our Dining Services Director. We've also enjoyed a trip to Kline's and Smileys for homemade ice cream. Yesterday, we had a summer party where residents took turns pelting Randall, our Director of Maintenance, with water balloons. We are looking forward to our corn shucking party at the end of the summer, with corn provided by a local family member of one of our residents.

Please be sure to stay informed by checking our webpage (bellaireatstoneport.com) for updates under our "Important Community Updates" tab. Please do not hesitate to contact me if I can assist you in any way.

With warm regards,

Cristen S. Hackenbracht, ALFA, CDP
Executive Director
