

December 23, 2021

To our Residents and their families,

We have had a truly outstanding holiday season with our residents, their families, and our team members. Thank you to all our families who attended the tree lighting ceremony, the letters to Santa event, and contributed to the employee holiday fund. We are grateful to have such generous residents and families.

I am happy to announce that Bobby Siever will be our new Director of Dining Services. Bobby will be joining the team in early January and is coming to our community with several years of dining director experience in an Assisted Living setting. Please join me in welcoming him as you see him in your travels. We are truly excited to have him on our team!

In effort to continue to keep our Residents and Team Members safe, we have not changed any of our current visitation guidelines and we ask all family members, visitors, and team members to continue practicing social distancing and wearing masks while in the community in accordance with current CDC guidelines and recommendations from our local Health Department.

Thank you again for your ongoing support and for being a part of the Bellaire at Stone Port Family. Please reach out if you have any further questions or concerns.

Happy Holidays!

Best Regards,

Jessica Gale, Executive Director
