

January 3, 2022

Dear Residents, Families and Team Members of Bellaire at Stone Port,

This letter is to inform our families, residents, and team members that we have been notified of 2 additional COVID positive team members. The first team member has not been in the community since 12/25, the second was present for their shift today January 3<sup>rd</sup> but was sent home following a positive antigen test. Both team members will continue to quarantine as recommended by the Virginia Department of health.

We have reported this case to the Department of Social Services and to the Virginia Department of Health. The Virginia Department of Health has recommended that we continue to monitor all residents for signs or symptoms daily and test any resident that develops symptoms.

We have not made any changes to our visitation or activities at this time. Residents are encouraged to continue wearing masks when outside of their apartments. Thank you for your patience and understanding. We will continue to communicate any updates or changes to each of our residents, their families and team members.

Please reach out to me with any questions or concerns.

Sincerely,

Jessica Gale, LNHA  
Executive Director, Bellaire at Stone Port
