

August 25, 2022

Dear Residents, Families and Team Members of Bellaire at Stone Port,

This letter is to inform our families, residents, and team members that following our round of testing today we have confirmed 2 additional Dining Team Members positive for COVID. We have not determined any new Resident positive cases within the community. The team members will not work in the community while positive and will continue to quarantine as recommended by the Virginia Health Department.

We have reported these cases to the Department of Social Services and to the Virginia Department of Health. The Virginia Department of Health has recommended that we continue to monitor all residents for signs or symptoms daily and to retest all Residents and team members on Monday August 29.

We have not made any changes to our visitation or activities at this time. We will not reopen the dining room at this point until Wednesday August 31 due to the additional positive cases in the dining department, and Residents are encouraged to continue wearing masks when outside of their apartments. Thank you for your patience and understanding. We will continue to communicate any updates or changes to each of our residents, their families and team members.

Please reach out to me with any questions or concerns.

Sincerely,

Jessica Gale, LNHA  
Executive Director, Bellaire at Stone Port
