

September 7, 2022

Dear Residents, Families and Team Members of Bellaire at Stone Port,

This letter is to inform our families, Residents, and team members that following our round of testing Yesterday, September 6, 2022, there were no new positive cases to report!

As exciting as this news is, I am waiting on a response from our local representative from the Virginia Department of Health to review the reopening plan for activities and communal dining in the dining room.

I have hopes to get a definite answer by the end of this week. I will continue to keep everyone informed of any changes. Thank you for your continued support and patience with our team during this time!

Please reach out to me with any questions or concerns.

Sincerely,

Jessica Gale, LNHA
