

October 5, 2022

Dear Residents, Families and Team Members of Bellaire at Stone Port,

This letter is to inform our families, residents, and team members that we have a resident who has tested positive for COVID. The resident is having mild symptoms and is being quarantined to their apartment as recommended by the Virginia Department of Health.

We have reported this case to the Department of Social Services and to the Virginia Department of Health. The Virginia Department of Health has recommended that we continue to monitor all residents for signs or symptoms daily.

We have not made any changes to our visitation or activities at this time. Residents are encouraged to continue wearing masks when outside of their apartments. Thank you for your patience and understanding. We will continue to communicate any updates or changes to each of our residents, their families and team members.

Please reach out to me with any questions or concerns.

Sincerely,

Melinda Clifton, LPN

Director of Health and Wellness, Bellaire at Stone Port
